Direction Keys

	Scrolls right or types a space.
	Scrolls left or deletes typed letters.
	Scrolls up or accents typed letters.
	Scrolls down or accents typed letters.

Getting Started

To Set the Message Language

The first time you use this translator, you must set the message language. The message language is the language of screen instructions and menu items.

1. Press **ON/OFF**.
2. Press one of the language keys (**ENG**, **DEU**, **FRA**, **ESP**, or **ITA**) to select the message language.

To Change the Message Language

1. Press **☆**, then press **H** to access the Setup menu.
2. Press **ENTER** to select *Message Language*.
3. Press a language key to change the message language.

To View the Demo

When you first use this product, you will see a demonstration of what it can do.

1. Press **ON/OFF**.
The demonstration automatically appears.
2. To stop the demonstration, press **CLEAR**.

To Disable or Re-enable the Demo

You probably do not want to view the demonstration every time you use this product. Here is how to disable and re-enable the demonstration:

Getting Started

1. Press then press to access the Setup menu.
2. Use to select *Disable Demo*.
3. Press .
4. To re-enable the demonstration, repeat the above steps. *Enable Demo* will appear as the selection in Step 2 above.

To Adjust the Screen Contrast

1. Press to return to the source language screen.
2. Use or to darken or lighten the screen contrast.

Note: You can adjust the screen contrast only when you are at the source language screen.

✓ Auto-Shutoff

If you forget to turn this translator off, it will shut off in two minutes. When you turn on your translator again, operation resumes with your current settings.

✓ About Screen Illustrations

Some screen illustrations in this User's Guide may differ from what you see on the screen. The examples in the English section of this User's Guide use English as the message language.

Translating Words

You can use this translator to translate a word from a source language into a target language. You can change the source language at a source language screen by pressing the desired language key.

- 1. Press** **CLEAR**.
- 2. To change the source language, press a language key.**
- 3. Type a word or a word in a phrase you want to look up.**

cat_

To type a space, press \Rightarrow .

To erase a letter, press **BACK** or \Leftarrow .

- 4. Press a language key to select a target language.**

Or press **ENTER** to translate the word into the most recently selected target language.

- 5. If needed, use \Downarrow or \Uparrow to select a desired form or phrase and press **ENTER**.**

To see a word or phrase that does not fit on the screen, press \Rightarrow repeatedly.

- 6. Press **ENTER** to toggle between the source language and the target language.**

Or press **BACK** to go back to the previous screen.

Translating Words

7. To translate the word into another target language, press one of the language keys.
8. Press **CLEAR** when finished.

✓ Correcting Misspellings

If you misspell a word in any language, or if you enter a word that is not contained in this translator, a list of corrections appears. Use or to scroll to a correctly spelled word and press **ENTER**.

✓ Follow the Arrows

The flashing arrows on the right of the screen show which arrow keys you can press to move around the screen.

✓ Typing Special Characters

You can type accent marks, diacritical marks, non-English letters, and capital letters, but they are not needed to find matches.

Special characters can be typed by first typing the desired letter and then repeatedly pressing or until the desired character is displayed.

To type a punctuation mark, press , then press or repeatedly until the desired character is displayed.

Translating Phrases

NOTE: The phrases in this product will be listed in the current source language.

1. Press , then press .
2. Use or to scroll to a category.
For example, choose *Doing business*.
3. Press .
4. Use or to scroll to a phrase or start typing it.

Call me at...

To see a phrase that does not fit on the screen, press repeatedly.

5. Press a language key to translate the phrase.
To see another translation, press another language key.
6. Press when finished.

Finding Telephone Numbers

You can find telephone numbers for airlines, airports and embassies around the world.

1. Press , then press  to access the Travel menu.
2. Use  or  until *Airlines, Airports or Embassies* appears and press .
3. Start typing the airline or airport name or the country for the embassy you want or press  or  repeatedly until it appears on the screen.
You can also type the abbreviation for the airline or airport.
4. Press .
5. If you selected an airline in Step 4 above, type the name of the city or country. If you selected an embassy, type the name of the city or country. You can also press  or  to scroll to your selection in either category.
If needed, press  to view the country telephone code in parentheses.
6. Press  to view the phone number.
7. Press  when finished.

Storing Names & Phone Numbers

This product has a data bank that can save approximately 100 names and phone numbers. The total amount of names and numbers that you can save depends upon the number of characters in each entry.

To Add an Entry to the Phone List

1. Press **[DATA]**.
2. Use **↓** or **↑** to see *Add a new entry* and then press **[ENTER]**.
3. Type a name and then press **[ENTER]**.

Each name can contain up to 23 characters (with letters appearing as capitals only) and spaces.

To delete a character, press **[BACK]** or **⬅**. To type a space, press **➡**.

4. Use the numbered keys to type a phone number and then press **[ENTER]**.

To type a hyphen between parts of a phone number, press **➡**, then press **↑** repeatedly until the hyphen appears.

You cannot type letters in the phone number.

✓ Checking the Memory

To see how much memory is free in the phone list to add more names and numbers, press **[DATA]** and then use **↓** to see *% Free: XX%*.

Storing Names & Phone Numbers

To View the Phone List

1. Press **[DATA]**.
2. Use **↓** or **↑** to highlight *View phone list* and then press **[ENTER]**.
3. To view a name, type it or use **↓**.
To delete a letter, press **[BACK]**.
4. Press **[ENTER]** to see the phone number.
5. To view another name and number, use **↓** or **↑**, or type a name, and then press **[ENTER]**.

To Edit Phone List Entries

1. Press **[DATA]**.
2. Use **↓** or **↑** to highlight *Edit entry*, then press **[ENTER]**.
3. Type the name you want to edit or use **↓** or **↑** to select it, then press **[ENTER]**.
Follow the screen instructions. Use **[BACK]** or **⬅** to delete characters. Type your changes and then press **[ENTER]** until the entry is saved. Or press **[DATA]** to cancel the edit.
4. Use **[BACK]** to go back to the phone list options.

To Delete an Entry from the Phone List

1. Press **[DATA]**.
2. Press **[ENTER]** to select *Delete entry*.
3. Press **↓** until you see the entry that you want to delete.
4. Press **[ENTER]**.
5. Press **[Y]** to erase the entry or **[N]** to cancel the operation.

To Erase All the Phone List Entries

Warning! This procedure permanently erases all the names and numbers in your phone list.

1. Press **[DATA]**.
2. Use **↓** or **↑** to see *Erase all data* and then press **[ENTER]**.
3. Press **[Y]** to erase all the entries or **[N]** to cancel the operation.

✓ Keep Copies of Important Data

Warning! Your phone list information is safely stored in memory as long as the battery supplies power. However, if the battery loses all power, this information will be permanently lost. You should always keep written copies of your important information.

Using a Password

You can use a password to keep the information in your phone list private. Your password will be requested whenever anyone turns on the unit and presses **[DATA]**.

Warning! After you have set the password, it will be required whenever you try to access the phone list for the first time during a session. So always record your password and keep it in a separate place.

- 1. Press** **[DATA]**.
- 2. Use** **to see Set the password and then press** **[ENTER]**.
- 3. Type a password and then press** **[ENTER]**.

You will be asked to confirm it. Type the password exactly as you typed it the first time and press **[ENTER]**. Remember to write down your exact password and keep it in a separate place.

- 4. To test the password, press** **[ON/OFF]** **twice, press** **[DATA]**, **type the password, and then press** **[ENTER]**.
- 5. To disable the password, repeat Steps 1 and 2 above, and then press** **[ENTER]** **when** **ENTER Password** **appears.**

Using the Calculator

To Use the Calculator

1. Press (★), then press .
2. Use the numbered keys to type a number.
To type a decimal point press (1). NOTE: in this product, a (•) is used as a decimal indicator.
3. Press (+), (-), (x), or (÷) to add, subtract, multiply, or divide.
4. Type another number.
5. Press (ENTER) (=) to calculate the equation.
Or press (%) to calculate the percentage.
6. To clear the calculator, press (C).

To Use the Calculator Memory

1. Perform a calculation as shown above, or simply type a number in the calculator.
2. Press (M +) to add the number to the calculator memory as a positive number or (M -) to add it to the memory as a negative number.
The total in the memory flashes on screen.
3. Press (C) to clear the calculator, or continue performing a calculation.
4. To retrieve the figure from the memory, press (MR).
5. To clear the entire calculator memory, press (MC).

Converting Measures & Currencies

You can convert temperatures, weights, liquid measures, and lengths to and from imperial and metric measurements. You can also convert currencies using an exchange rate that you enter.

1. Press , then press .
2. Use  to select a conversion category then press .
3. Use  repeatedly to scroll to the conversions (i.e., $^{\circ}\text{C} \rightarrow ^{\circ}\text{F}$) and then press .
4. Follow the screen directions to convert and press .
5. To make another conversion, press .

✓ Converting Money

The first time you select the money converter, you will be asked to set the exchange rate equal to one unit of the home currency. Type an exchange rate and press . Next, press  or  to select a conversion (e.g., *Home*→*other*). Press , then enter the amount to be converted.

To change the conversion rate, select *Money* from the *Conversions* menu, select *Set Rate*, and type a new exchange rate.

Playing the Games

To Play Hangman

Hangman selects a mystery word and lets you try to guess it letter by letter.

1. Press , then press .
2. Press  or  until *Hangman* appears and press .
3. To change the language of the mystery word, press one of the language keys.
4. Type your guesses.
The ?'s represent letters of the mystery word.
The numbers show how many guesses remain.
5. To show the word and end the round, press .
6. Press  again to play a new round.

To Play Quiz

Quiz tests your translation skills. Note: To change the language for Quiz, you must change the source language before you play. See “Translating Words” for more information.

1. Press , then press .
2. Press  until *Quiz* appears and press 
Say the word and try to guess its translation.
3. Press a language key to see its translation.
4. Press  again to start a new round.

Product Care

Specifications

Model: 5-Language European Translator (TWE-106B)

- Battery: 1 CR2032, lithium
- Size: 6.9 x 10.1 x 0.8 cm
- Weight: 45.36 g

Replacing the Battery

This product uses one CR2032, 3-volt lithium battery. Should you need to replace the battery, unscrew the screws on the back with a very fine screwdriver and carefully remove the back cover. Then install a new battery, plus sign (+) facing you, and replace the cover.

Cleaning, Storage, Problems

To clean, spray a mild glass cleaner onto a cloth and wipe its surface. Do not spray liquids directly on this product. Do not use or store this product in extreme or prolonged heat, cold, humidity, or other adverse conditions. If you have a problem with this product, refer to the warranty.

This unit may change operating modes due to Electro-static Discharge. Normal operation of this unit can be re-established by pressing **ON/OFF**, or by removing/replacing batteries.

FCC Notice

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

NOTE: This unit was tested with shielded cables on the peripheral devices. Shielded cables must be used with the unit to insure compliance.

NOTE: The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications to this equipment. Such modifications could void the user's authority to operate the equipment.

Limited Warranty (outside U.S.)

This product, excluding batteries, is guaranteed by Franklin for a period of one year from the date of purchase. It will be repaired or replaced with an equivalent product (at Franklin's option) free of charge for any defect due to faulty workmanship or materials.

Products purchased outside the United States that are returned under warranty should be returned to the original vendor with proof of purchase and description of fault. Charges will be made for all repairs unless valid proof of purchase is provided.

This warranty explicitly excludes defects due to misuse, accidental damage, or wear and tear. This guarantee does not affect the consumer's statutory rights.
